

Travel Grant for Gastroenterology Fellow in Training

Aims and Condition

The purpose of the travel grant is to support fellows in training by representing the country in their oral presentation abroad. This is also to encourage fellows to submit their papers in international conferences.

Only major convention held at the Asia Pacific, namely APDW and APASL will be sponsored by the 3 societies (PSG, PSDE and HSP) upon approval of the board.

The support for the fellow will only be for the airfare. The grant will be an amount not more than 75000 pesos.

Shall there be multiple fellows who will be having their oral presentation at the same time or during the same convention, the board will be choosing from the presenters. The order of choosing the awardee of the grant shall be - Presidential Award then Young Investigator Award. If there will be multiple awardee of the award category. Then the board will only nominate the one which they deem to be deserving.

The sponsorship is open to all fellows in training of the accredited training institution who will apply for the travel grant.
